CEETEP (2010 – 2015)

The focus for 2016 is the conclusion of the Central European Talent Exchange Programme (CEETEP). Together with 18 CEETEP festivals in the CEE region and selected CEE media partners, Eurosonic Noorderslag and co-organisers Sziget and Exit Festival, have developed a plan to encourage the circulation of CEE artists and repertoire in Central and Eastern Europe, both at festivals and in the media. By working together, the CEETEP festivals and their media partners aim to help more CEE artists perform across borders within Central Eastern Europe, and, via shows at Eurosonic Noorderslag, throughout the whole of Europe and beyond.
