

## **Eurosonic Noorderslag Conference is now sold out**

**The registrations for the Eurosonic Noorderslag Conference are sold out, tickets for the festival were sold out earlier this week. Eurosonic Noorderslag welcomes a new record of 4200 National and international guests. During daytime the delegates attend panels, keynote speeches, workshops, meetings and network. At night they go into the city of Groningen to check out the hot new acts from all over Europe.**

### **Conference highlights**

Some of the conference highlights include keynote interviews by Todd Hansen, Seymour Stein and Chris Price, Meindert Kennis and Ossy Hoppe. The conference features, next to the main music programme, the specialist programs EPIC (European Production & Innovation Conference), BMMT (Buma Music Meets Tech) and Future of Media.

### **Music programme**

With over 350 artists performing, Eurosonic Noorderslag is one of the best events to discover new music. Check out the ESNS website for the line up and timetables or download the app for iOS and Android. This year Eurosonic Noorderslag introduces six Discover playlists on Spotify. Segmented by genre, these playlists are the easiest and most comprehensive way of checking out the programme.

### **ESNS: Platform for European Music**

Eurosonic Noorderslag is the key exchange and networking platform for European music, with a proven track record for helping to break new acts on the international live music scene. Selling out each year, the event attracts more than 4,000 professional delegates, including representatives of over 400 international festivals. Each year, Eurosonic Noorderslag presents 350 showcases alongside a conference program covering the latest developments in the international music, media, production and interactive industries.
